Through collaboration with schools and community organizations, we identify youth who need or want a mentor. By placing a caring adult in the life of a child, Big Brothers Big Sisters creates safe, high-quality, long-lasting mentoring relationships that help vulnerable youth change the odds and reach their full potential through personal and academic achievement. Professionally supported by our staff, individual road-maps for success are developed in concert with parents, children, and mentors.

EDUCATION SUPPORT SPECIALIST

The **Education Support Specialist** works through collaborative partnerships to help identify and link children and families with resources beyond mentoring including, financial, legal, or work placement assistance, mental health, trauma, and substance abuse counseling, as well as food pantries and utility assistance.

STATMENT FROM CEO

2022/2023 was full of aligned activation of our strategic plan and priorities to Innovate, Engage, and Strengthen our mission and agency in support of our community's youth. For the first time in nearly a decade, the agency proudly experienced growth in terms of number of youth impacted by mentoring relationships, garnering recognition by Big Brothers Big Sisters of America. Additionally, growth was seen in the impact of our programs with increased stakeholder engagement, visible through leveraged partnership with the Florida Prepaid College Foundation, to enhance and deepen existing partnerships unlocking access to scholarship resources for program youth (scholarship administration jumping from \$5k awarded in the 2021/2022 year to \$124k in scholarship value awarded in the 2022/2023 project year). This collaborative partnership is just one example among many of the ways our agency team, Board, and incredible partners continue to work to ensure the quality of our impact remains a priority of our efforts so that more of our community's youth receive the support and resources needed to reach their full potential and live a choice filled future. **Bigger Together!** – Sara Alford

OUR PRIORITY GOALS PLANNING

INNOVATE

While keeping focus on one-to-one mentoring, valuing innovation as a way to address community needs - staying relevant and current in all elements of the organization.

TRANSITION

Engage more volunteers, youth and families, donors, and partners, who align meaningfully, to grow a community empowering our youth.

GROWTH

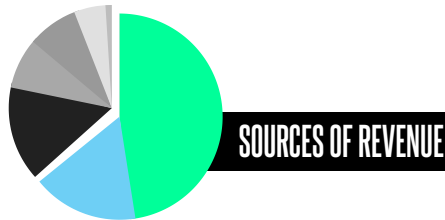

Build resources, in all realms of the agency - people, performance, financial, and technology - enabling our agency to thrive.

FINANCIAL SUMMARY

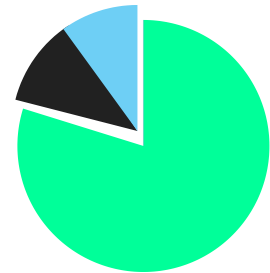

BIG IMPACT SOCIETY

In 2019, BBBSNEFL started the Big Impact Society, the first ever Bigs and Alumni Bigs monthly giving circle. Since inception, the Big Impact Society has raised over \$15,000 to support BBBSNEFL. These unrestricted funds not only gives BBBSNEFL stability during uncertain times, but also directly supports financial sustainability for the long-term and expands the philanthropic opportunities for our Bigs beyond support of their time.
